Winter Boots and Coats

No Coats or Wet Shoes in Studios

Snow is near.

Please remove wet shoes and boots prior to going in the studios.

All students are asked to please hang up your coats in the kids room or place them in a basket in the lobby. Boot trays will be available for wet shoes.

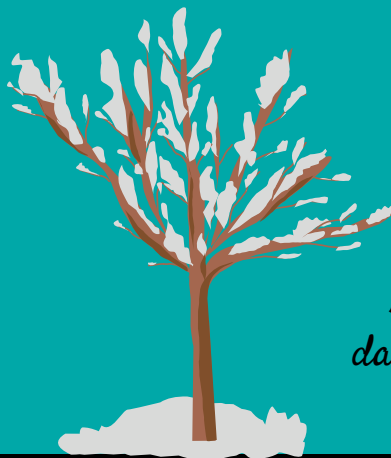

Winter Weather Policy

In the event of inclement weather, please check one of the following sources to see if classes are cancelled: #WEWS Channel 5, Facebook - Lisa's School of Dance, Lisa's VIP Dancers 23-24, Instagram, or call the studio one hour before your scheduled class time.

If road conditions are hazardous, make up classes will be available.

The homework/kids room is available for dancers 15 minutes prior to their designated start time for their class. Using this area is a privilege and we ask that all dancers clean up after themselves and keep their personal items together in a designated area. In addition we ask that ALL dancers be respectful and kind to other students. We follow the three strikes rule. If you have to be told to behave after three strikes then you lose the privilege to use this area.

Friendly Reminder:

Please make sure that your dancer has their names marked in their dance shoes.
